THE SIXTH SCALE COLLECTORS CLUB NEWSLETTER

## SSCC OHIO FT. THOMAS SALUTE TO VETERANS ANNUAL FIGURE SHOW FIGURECON 2013

November 9th and 10th, Ft. Thomas, Kentucky; the time and place of the 6th Annual SSCC FIGURECON SHOW. It was another great weekend of scale figures, vehicles, reenactors and more and everyone that attended had a great time. One of the things that make this show truly unique is the sheer number of figure and diorama displays. No other group puts out a spread like the SSCC. This newsletter is devoted to some of the show images, more can be

seen on the SSCC website, so make sure you check it out if you haven't already. One show highlight was (1) Hammer Six's beautiful Marder III. This model has an incredible amount of detail, especially the fighting compartment, (2) Gray Ghost's Dodge Weapons Carrier, (3) Club member and reenactor Sniper Joe manning his post, (4) Halftrack's German checkpoint diorama and (5) Amaral's African American WWII display. Go on to page 2 for more of the FIGURECON Highlights.

## A look at the OCTOBER CLUB MEETING

I was not able to attend the October Club meeting, but Panzercommander snapped a few photos on his cell phone and emailed them to me.

Primarily they were of some great looking motor bikes that Dr. Zorkon was displaying.

What is show here are (1) a classic scooter, (2) a early 20th Century motorbike and (3) a motorcycle and side car of the WWI period. All are presented with some of the Good Doctor's great looking civilian figures.

Finally, Panzercommander also included a shoot of some Heer later war German soldiers that he had on display. As always, very sharp looking troops from Panzercommander.

There wasn't a November meeting because of all of us needing to be a Ft. Thomas the next morning for set up.

Here are some of the highlights though; (1/2) Panzercommander's beautiful OPERATION COBRA diorama was a terrific collection of detailed U.S. figures, vehicles and German POW figures. (3) Some of Gray Ghost and Point Man's Cavalry of the plains figures, (4/5) The town of Broken Springs and it's inhabitants, many of them provided by Dr. Zorkon. The town featured buildings by Gray Ghost and Pointman. There were twenty horses with custom tack in the display as well. (6) Part of JKidd's Operation Market Garden display - Germans with beautifully painted sd.kfz 250. (7) Just a tiny part of Black Jack's huge modern display. In this shot, soldier leading pack animals. As you can see, there was a lot of eye candy at the show - PM
